The Cookie Club, featuring relevant technology, is an online tool available to girls participating in the Girl Scout Cookies Sale. A girl goes to a password protected web site to learn about goals, to set and track her goals. She can also send emails to friends and family asking for their "promises" (requests) to purchase cookies. Cookie customers submit their requests for cookies, which will appear in the girl's Cookie Club account, along with the customers contact information. The transaction will then continue in the traditional manner with in person delivery and payment collection. Girls may not accept online payment for cookies.

Safety is our top priority. At no time is the girl's personal email information shared with a customer. The girl is identified by her troop number, age level, first name and last initial. The customer's request for cookies is registered automatically as promises in the girl's Cookie Club account.

All email addresses submitted by girls will only be used for the purposes of the Girl Scout Cookie Sale.

Agreement to access Little Brownie Bakers' Cookie Club:

• I will support my Girl Scout in using the Cookie Club online goal setting and email tools.
• I will review all Cookie Club "promises" to make sure they are genuine orders. By entering my name and other identifying information below, I am giving permission for my girl's participating in the Cookie Club.
