

Cookies for the Troops

Since 2002, Hornets' Nest Council has been conducting a service project related to our Cookie Sale called "Cookies for the Troops". Through a partnership with military personnel in our area, Girl Scout Cookies are sent to brothers, sisters, mothers, fathers, sons and daughters who are putting their lives on hold to protect our freedom.

Since 2002, the girls of Hornets' Nest Council have been proud to send 275,800 packages of Girl Scout Cookies to our military personnel and 36,876 packages in 2011 alone.

Our Girl Scout troops do not handle cookies designated for the military. Girls simply take cookie orders and receive payment. The Council combines all troop orders into one large order which is sent to the military directly from the bakery. This is a requirement of the military.

If you live in our eight county area and wish to purchase "Cookies for the Troops", please contact a Girl Scout Troop in your area. If you do not know a local Girl Scout, please call our Council office at 800-828-0528. Hornets' Nest Council is located in Anson, Cabarrus, Mecklenburg, Montgomery, Rowan, Stanly and Union Counties in North Carolina and York County in South Carolina.
