Girl Scout Gold Award Gold Award Project Hours Log

While there is no specific hour requirement for the Gold Award, there is a suggested 80 hour minimum guideline. The time it takes to earn the award will depend on the nature of the project, the size of the team, and the support of the community. Not all projects will require the same length of time to complete from planning to sharing and celebration. Quality projects that have an impact on the community should be emphasized over quantity of hours. After the journey(s) requirement is fulfilled, the suggested minimum number of hours to use as a guide is 80 hours.

We have included this time log so that you can track the time you spend working on the Gold Award. Tracking your time will help you remember all the steps you took to earn the Gold Award. Seeing the steps you took during the project will help you reflect on your success, share your project with others, and fill out your final paperwork. Submit this log with your final report. The final approval of your project will be easier if your steps are clear.
