

Early Renewal 2026-2027

Early Renewal Patch & Incentives

April 1 - June 30, 2026

Early Renewal for the 2027 Membership Year is the opportunity for Girl Scout troops to renew their girls and adults during the spring to keep them engaged in the Girl Scout Leadership Experience into the next school year.

By registering during Early Renewal, you will have time to plan for the upcoming year knowing your girls will be back. Renewing also means that girls and adults will be able to meet, go to camp, participate in the GSHNC programs and so much more.

Register your whole troop TODAY to earn some great incentives!
