

# Private Troop Shopping Experience Guidelines

To ensure a smooth and enjoyable shopping experience for your troop, please review the following guidelines before your scheduled Private Shopping Experience.

## Event Time Limit

Private Troop Shopping Experiences are scheduled for **2-3 hour** time slots. This time includes shopping, uniform setup, uniform heat press, and checkout. Please arrive promptly at your scheduled start time to make the most of the experience.

## Complimentary Heat Press Service

As part of your Private Troop Shopping Experience, **complimentary heat press service** is included for each Girl Scout uniform purchased during the event.

### **This complimentary service includes:**

Initial uniform setup, including placement of the required insignia and uniform components appropriate for the Girl Scout's grade level. This includes:

- American Flag Patch
- Council Identification Set
- Troop Numeral Set
- Crest (if applicable)
- Insignia Tab
- WAGGGS Pin
- Level Specific Membership Pin
- Membership Star and Disc
- Bridging Arch
- Any additional required insignia specific to the Girl Scout's grade level
- Up to 5 additional fun patches or badges per uniform

Uniform heat press will be completed during the scheduled shopping experience. Our team will work with your troop to ensure uniforms are prepared correctly and ready to wear for your next Girl Scout adventure.

*\*If additional patches, badges, or other items are requested beyond the complimentary services listed above, additional heat press fees may apply.*
