These do not need to be submitted to the GSHNC office, but the Leader needs to ensure that she has this notarized letter for each girl under the age of 18 while traveling. 	

***Service Unit (SU) Events** – The SU may provide outdoor trained volunteers or they may request that each leader has the appropriate training for the activities for which they will be participating.
****Supplemental Insurance** – Supplemental Insurance is required for trips lasting more than 2 consecutive nights (or more than 3 nights if one is a federal holiday). Supplemental Insurance is also required for non-registered participants at any Girl Scout activity. Non-registered participants might include boys, non-registered adults, younger siblings, etc. Please note that you cannot insure non-participants. Each participant must be the appropriate age to participate in the program (for instance, a 4-year old tag-a-long at an archery event cannot be insured since the child is not old enough to participate in archery.) **Purchase Supplemental Insurance by using the Supplemental Insurance Form, unless a Troop Trip Application is required. In this case use the Troop Trip Application to purchase the supplemental insurance.**
