► Why Summer Camp?

Camp is a pathway for girls to experience the Girl Scout program. Girl Scouts is girl driven and Girls have the choice of how they want to participate. Our primary mission for Summer Camp is the same as the overall mission of our organization - we are building girls of courage, confidence, and character who make the world a better place. In addition to the Girl Scout Leadership Experience, we will strive to help campers build essential life skills, such as:

- Physical, mental and spiritual well-being
- Democratic living, team work and conflict resolution.
- Leadership, confidence and independence.
- Interpersonal relationships and community
- A sense of accomplishment.
- Awareness of the scope and responsibility to conserve the natural world.

At E Camp, we're proud to follow the American Camp Association's guidelines for an impactful, fun, and safe Summer Camp experience for each and every one of our Campers.
