

OUTDOOR LEARNING PATH LEVELS 4 & 5

DATES

- October 25-26, 2025

TIME & LOCATION

- Saturday 4pm – Sunday 12pm
- Crowder's Mtn. State Park

Description

This training is a combination of the Outdoor Learning Path Levels 4 & 5, Backpacking & Primitive Camping. In this training, you will learn health and safety procedures for a camping trip to an established back-country site. The course will teach low-impact camping procedures including proper site set-up, water purification methods, hiking safety, appropriate clothing and equipment, cooking, and how to establish, maintain and close-up a personal cat hole and group latrine. **This is an overnight, advanced camping course and is good for 5 years. You must complete Outdoor Learning Path Levels 1-3 training prior to attending this class.**

Supplies/Online Portion

A full list of required supplies will be sent upon registration closing; please note this entire event is outside and to prepare for all weather. If you need help acquiring camping supplies, we have some camping supplies available to borrow from council. All supplies for meals will be included (we can accommodate most dietary restrictions). Participants will work together to practice and prepare meals on backpacking stoves and campfires.

*GSHNC volunteer trainings are adult, member-only, and council-only, events. Children of attendees may not accompany adults to this training, please ensure alternate arrangements have been made.
